- Students must submit two separate written essays for items 1 and 2 listed below.
- Essays must be submitted by email in separate electronic files (.doc or .pdf only).
- Essays should be formatted with one inch margins, with 12 point font size, Times New Roman style font, double-spaced throughout.
- **DO NOT INCLUDE ANY PERSONAL INFORMATION ON YOUR ESSAY PAGES.**
- Please include a word count for each essay and refrain from using the specific name of a dental hygiene program in your essay.
- Include your photo in a jpg file, **no full body photos please**. The photo of the winner(s) will be posted on the California Dental Hygienists' Association (CDHA) website, in the CDHA Journal and in presentations made at the 2021 House of Delegates
- **Application, essays, photo file and faculty verification forms should be submitted in one email communication to the scholarship chair by April 30, 2021. (clt4star@gmail.com)**

***Incomplete applications will be considered ineligible. Both essays will be blinded and evaluated by judges. Scholarship award recipients will be notified by mail no later than May 20, 2021.***

**1. Essay of 300 words or less describing your dental related activities** in the community outside of school requirements as well as any other volunteer or service organization activities without referring to organizations or locations specifically.

**2. Essay of 500 words or less on the following topic:**

CDHA now offers the NEW PROFESSIONAL membership category to new graduates to better introduce the professional association in California. How do you envision your engagement in the NEW CDHA as a member and potential leader within the first five years of graduation?

I have completed the attached essays independently of any external assistance.
